**AUTHORITY:**

- A. PC, Ch. 916 (Part 4, Title 1, Chapter 2, Article 2.5) § 11164 - 11174.3.
- B. HSC, Div. 2.5, § 1797.204, 1797.206, 1797.218, 1797.220, 1798, & 1798.2.

**DEFINITIONS:**

- A. **Child** – Any person under the age of eighteen (18).
- B. **Mandated reporter** – Includes paid firefighters, EMRs, EMTs, AEMTs, paramedics, teachers, peace officers, any healthcare practitioner, clergy member, childcare custodian, or an employee of a child protective agency.
- C. **Neglect** – The negligent failure of a parent or caretaker to provide adequate food, clothing, shelter, medical/dental care, or supervision.

It also includes lewd or lascivious conduct with a child under the age of fourteen years, which may apply to any lewd touching if done with the intent of arousing or gratifying the sexual desires of either the person involved or the child. Sexual exploitation refers to conduct, or activities related to pornography depicting minors, and promoting prostitution by minors.

**PRINCIPLES:**

- A. The purpose of reporting suspected child abuse/neglect is to protect the child, prevent further abuse/neglect of the child and other children in the home, and begin treatment of the entire family. The infliction of injury/neglect, rather than the degree of that injury/neglect, is the determinant for intervention by law enforcement and/or CPS.
- B. California PC, § 11166 and 11168, requires that mandated reporters promptly report all suspected non-accidental injuries, sexual abuse, or neglect of children to local law enforcement and/or CPS.
- C. It is the job of law enforcement, CPS and the courts to determine whether child abuse/neglect has, in fact, occurred. It is not necessary for the mandated reporter to determine child abuse/neglect, but only to suspect that it may have occurred. Children under the age of five, especially less than six months, are at highest risk.
- D. All healthcare professionals are mandated to report suspected child abuse/neglect that they have knowledge of or observe in their professional capacity. Any person who fails to report as required may be punished by six months in jail and/or a \$1,000 fine.
- E. When a mandated reporter has knowledge of or has observed child abuse/neglect, that individual is required to report to law enforcement and/or CPS immediately or as soon as practically possible by telephone and shall complete/submit the suspected child abuse/neglect report form within 36 hours.
- F. When two or more mandated reporters are present at scene and jointly have knowledge of a known or suspected instance of child abuse/neglect, the telephone report can be made by a selected member and a single written report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the designated reporter failed to uphold their agreement shall thereafter make the report.
- G. When a mandated reporter is not performing their job duties, they become discretionary reporters and are not required by law to report.
- H. Those persons legally required to report suspected child abuse/neglect have immunity from criminal or civil liability for reporting as required.

**POLICY:**

- A. If EMS personnel suspect child abuse/neglect, a prompt verbal report shall be made to law enforcement and/or CPS. If the child is in imminent danger, law enforcement shall be immediately notified/requested. To make a verbal report to CPS, call the applicable county CPS office using the appropriate 24-hour contact telephone number listed in this policy.

B. The suspected child abuse/neglect report shall be completed according to the instructions on the back of the form. The report shall be filled out as completely and clearly as possible. The completed form shall be submitted to law enforcement and/or CPS within 36 hours. A copy of the report should also be retained by the reporting party. An electronic version of the form/instructions can be obtained at the following link: [https://oag.ca.gov/sites/all/files/agweb/pdfs/childabuse/ss\\_8572.pdf](https://oag.ca.gov/sites/all/files/agweb/pdfs/childabuse/ss_8572.pdf)

C. The following information shall also be included in the PCR:

1. The name, department and badge # of the law enforcement officer and/or the name of the CPS social worker the report was made to.
2. The time of notification.
3. The disposition of the child, if not transported.
